

Hemanth Salem

Vice President of Professional Services, Encore Discovery Solutions

Hemanth Salem joined Encore Discovery Solutions as Vice President of Professional Services in January 2007. Mr. Salem's responsibilities include building and leading a team of professional consultants and project managers to serve the growing electronic discovery and Web Repository needs of Encore's clients. Mr. Salem has more than 15 years of experience as a systems analyst, software engineer and litigation consultant. Most recently, Mr. Salem was Vice President of Technology Operations at Esquire Litigation Solutions, and previously served as an Engineering manager at Merrill Corp and Trion Technologies Inc. Mr. Salem earned his undergraduate degree from the International Institute of Technology in India and a Master of Science degree from Case Western Reserve University in Cleveland.

Don Myers

Senior Associate, Littler

Don is a Senior Associate in the firm's eDiscovery group. Don advises the Firm's lawyers and their clients on electronic discovery issues, including forensics, preservation, collection, review, and production of electronically stored information. Littler is one of the first firms in the country to hire attorneys to focus exclusively on working with clients in the challenging area of electronic discovery, reinforcing the firm's commitment to providing its clients with leading-edge solutions in this rapidly developing area. Don has significant trial experience in state and federal court cases, as well as large commercial arbitrations.

Prior to joining Littler, Don was a litigation associate at an AM LAW 100 law firm, where he managed all phases of federal and state court litigation including class certification and related discovery, preliminary injunctions, pleadings, depositions, motion practice, trials, arbitration hearings and settlement negotiations. Additionally, Don directed electronic discovery projects, including imaging, data conversion and forensic investigations.
